SUPERCONCENTRATED SOAP FOR HANDS

PRODUCT DESCRIPTION:

- **DEFINITION:** Deep concentrated cleaner and soft Gel for hand, based on selected surfactants and derived from natural products. Clean and disinfect hands simultaneously.
- **USE:** Hands cleaning on workshops, engines rooms, garages, metal industries, and anywhere else where work with maintenance.
It is particularly effective in removing concentrated dirt on the skin (oils, grease, soot, paint, tar, grime customary in the industry, pigments, graphite oils, etc.).
- **PROPERTIES:** Its composition does not include the usual aggressive classic products in such cleaners (solvents, abrasives and free alkali) but compounds with antiseptic and protective properties.
 - It not damage irritated or chapped hands.
 - Quickly penetrates and dissolves dirt without scrubbing vigorously.
